

2023-2024 Resource Membership

FAR is the welcoming community in the DC Metro Area where association and nonprofit leaders gather to network and to expand their professional growth through engaging education, idea exchange, and valuable resources. FAR’s annual calendar year is September 1, 2023 – August 31, 2024.

Suppliers must be resource members in good standing to enjoy the benefits of FAR membership, including attendance at FAR events. To ensure our resource members are recognized as important contributors to the network and education of our nonprofit members, FAR maintains a 2:1 nonprofit to resource member ratio, keeping a waitlist of prospective resource members as applicable. Current resource membership categories and benefits are as follows:
